## Confession of Faith

*I affirm that I am alive unto God! I live a life of glory, power, and influence, displaying the virtues, perfections, excellence, and wisdom of Christ. I am not of this world; I know who I am, the child of the Monarch of the universe. Christ in me, the manifestation of glory.*

*Eternal life is at work in me, and every fibre of my being is fully yielded to the Lord to carry out His divine plans through me! I am His living tabernacle; He talks through me, moves through me, and expresses His love and righteousness through me!*

*I am built up, thriving on my most holy faith, making progress by the supernatural, and rising like an edifice, ever higher and higher, as I pray in the Holy Ghost! I'm never disadvantaged!*

*I am born with the ability to reign and rule over the elements of this world. The Father has put in me the yeast to rise above every challenge; therefore, it's impossible to go down irrespective of what's happening in the nations of the world.*

*Everywhere I go, the Lord has the right people at the right place and at the right time to favour my course. I refuse to be a part of the suffering masses, for I've been transferred from the kingdom of this world into the Kingdom of God's dear Son. Glory to God. Hallelujah!*

## Prayer for the Week

1. Dear Father, thank you for your unfailing love and mercy. I trust in your Word and acknowledge your presence in my life. I declare that I walk in paths of righteousness, led by your Spirit, and I am always in the right place at the right time. Your grace empowers me to live victoriously every day. Thank you for teaching me to profit and for leading me in the way I should go, in Jesus' Name.

2. Dear Father, I thank you for the blessing of speaking in tongues and uttering mysteries with the Holy Spirit granting me understanding of your divine will for my life. I receive supernatural wisdom for every situation and circumstance, and I declare that the power of the Spirit is at work in me, bringing about health, strength and prosperity, in Jesus' Name.

3. Dear Father, thank you for the gift of the Spirit who helps me pray beyond my understanding. As I pray in tongues and through the power of the Holy Ghost, every limitation is removed, and I walk in continuous victory. Thank you for this divine strategy to live a life that is upward and forward only, in Jesus' Name.

4. Precious Father, I thank you for your Word that burns in my heart and propels me to preach the Gospel and spread your righteousness around the world. I refuse to be quiet, but take my place in the end-time army as a frontline soldier and a bearer of divine truths to my world. I stand firm in the faith, impacting lives and causing your righteousness and glory to be established around me, in Jesus' Name.

5. I pray for every leader in UK that they would rule justly and with godly wisdom. I pray for strength and blessing for them. In the Name of Jesus, I bind Satan from operating over the political scene of this country. I command Satan to take his hands off my government, economy and social scene right now, in Jesus' Name.

PUT THE CREATIVE FORCE IN YOU TO WORK  
**John 16:33**

*These things I have spoken unto you, that in me ye might have peace. In the world ye shall have tribulation: but be of good cheer, I have overcome the world (John 16:33).*

The word translated “world” in the verse above is the Greek “cosmos.” The cosmos is the world as it is with its structures and systems and all of its content, including its inhabitants and their works, such as whatever is made or created or founded.

Then, in Hebrews 11:3, we find another Greek word “Aion” translated as “world.” “Aion” is the course or era or the operational system within the cosmos. It’s the running of the cosmos, and that has to do with the times of various inhabitants. What’s the implication of this? Remember, Jesus said, “...I have overcome the cosmos.” That means He overcame the world and all of its contents, all of its inhabitants and their works, powers and abilities.

But you see, when men run the world, whatever has been made or whatever they met in terms of structure or operational system can be manipulated. Men can create their “Aions” by the manipulation of the cosmos. Therefore, they can try to use the content of the cosmos to affect you.

But the fact is, with the “Rhema” of God (the Word of God in your mouth), you can overcome whatever is within the cosmos that’s being carried out, fabricated, or reworked against you in your time and in your era. **Hebrews 11:3** says, *“Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear.”*

Don’t sit idly by and let Satan and his cohorts run rampage and distort things around you; repair, frame, perfect, mend and restore things in your “aion.” Be in charge and in control of how things go with you from day to day by speaking forth God’s Word. There’s a creative force in you to frame the kind of life and environment that you desire, to alter destinies and change the course of events in our world. Put it to work.

**Remain blessed in the Lord!**

## LIFE WORKS IN YOU

*Wherefore, as by one man sin entered into the world, and death by sin; and so death passed upon all men, for that all have sinned (Romans 5:12).*

Through Adam’s transgression, death passed upon all men. What is death? Many think that death is just the cessation of life, but it’s much more than that. Firstly, death is the expulsion or removal of God’s presence, Spirit and influence from any creature.

Life comes from God; therefore, anything that hasn’t been imparted by the presence of God or His Spirit can’t have life. Science, with all its discoveries, can’t create or give life; they’ve got to get the life from something else that God already made. Anything can be fabricated, but it’ll not have life except there’s contact or influence with what already has life.

Secondly, death is the corruption of a creation and resultant dissolution into its original components. Anything that has life has been influenced by God; it has God’s presence and has been touched of the Spirit. But Satan, who had the power of death, is against that. He works towards the expulsion or removal of that presence. Death begins with the corruption of the creation.

If you have pure water in a vessel, and then drop some little impurity in it, it’s corrupted; it’s now less than a hundred per cent pure. Death begins with corruption of a creation; a change into something that makes it less glorious than it ought to be. Satan aims for the corruption and eventual dissolution of that creation into its original constituents. For example, when a human body dies, the spirit departs, and the body eventually decomposes into water and dirt.

Satan hates God’s creation and seeks to destroy it. That’s why when sickness attacks the body, it’s a corruption of the person’s health. But thanks be unto God! Jesus put an end to death! The Bible says, “...Jesus Christ, who hath abolished death, and hath brought life and immortality to light through the gospel” (2 Timothy 1:10). Hallelujah! Death has been abolished.

In Christ, you’ve been brought into “deathlessness!” Whereas everything in the natural world degenerates, life works in you and in everything that’s connected to you, because you’re in the realm of life. You’ve passed from death to life (John 5:24). **Romans 5:17** says, *“...they which receive abundance of grace and of the gift of righteousness shall reign in life by one, Jesus Christ.”*
